Food handling, precise handling, areas sensitive to direct contact with the hands.

Description and packaging

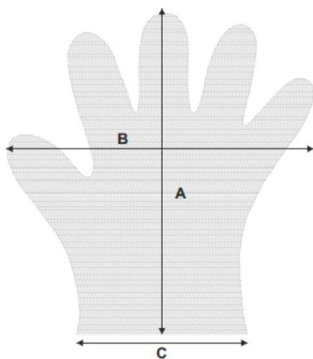

Reference	Model	Packaging	Packaging dimensions	Weight	Pallet packaging
GP2020-01	Bag of 200	200 pcs/bag 10.000 pcs/carton	31,5x21,5x33 cm	6,40 k	50 boxes

Packaging printing: reference, batch, description in spanish, catalan, basque and galician, units, EAN code, CE marking, 100% recyclable and suitable for food handling pictograms.

Storage and conservation

Use the product only once. Prolonged use or more than a single use minimizes the functions for which it was manufactured. In its placement, care must be taken not to stretch more than the product allows. It is recommended to store in its original container, in dry places, at temperatures between 10 and 30°C, without exposing it to direct sunlight.

Measurements

Detail	Measurement (cm)	Tolerance	State
A	30	+/- 0,1	Flat
B	26	+/- 0,1	Flat
C	14	+/- 0,1	Flat
